Friday 14th June 2024

Dear Parents and Carers,

All of us here at Kingshill cannot believe it's almost the end of the academic year. This year has flown by! What a year it has been. We are so very proud of all of the children's progress and we are really impressed with how prepared they seem for the next year of their school lives. This fortnight has been such a happy one for me as a Head, as I have had the pleasure of administering each and every Phonics Screening Check. Seeing the children's incredible progress in their reading has been wonderful. All of the time for reading you have put in place at home with your child has made a huge difference. I thank you for taking the time to learn about the phonics programme we use and help support your child at home. Kingshill's mantra is: 'Every Child Learns to Read at Kingshill', and as a partnership, we are making that happen.

However, the academic year isn't over yet. We have transition day and meet the teacher on 11th July, as well as events such as History off the Page for Year 2 and a trip to Mill Green for Year 1. Reception will be going into the main playground more at lunchtime, and having the opportunity to come to celebration assembly on three occasions before the end of the year. All our dates for this half-term [can be found on the website](#).

Finally, I would like to take this opportunity to say thank you for your help and support with our very successful Friends of Kingshill Fair on Sunday 9th June, raising an amazing **£2,042.19** for the school! It was such a lovely day and the atmosphere was fantastic. Even though my face is still recovering from the sponge bashing, I can safely say it was all worth it!

We hope you have a wonderful fortnight and as always, get in touch if you need anything.

Best wishes,

Mr Plumb

Kindness and respect on the playground

Please remember to model kindness and respect on the playground wherever possible. If you have any issues, worries or concerns, please speak to Elliott Plumb, Headteacher or a member of the Senior Leadership Team as soon as possible. Thank you for your understanding.

Please can you also be mindful of where your children are in the playground before and after school, ensuring they don't use the play equipment.

SchoolGateway outstanding fees

As we near the end of the academic year, please can you check in your SchoolGateway account to see if you have any fees outstanding so that these can be settled in good time. We have outstanding payments on the system for trips, swimming, nursery and particularly for breakfast and after school clubs.

Thank you for your understanding.

Hard-working, Respect, Teamwork

Many minds but one mission: to prepare children for a life full of learning.
