Friday 8th March 2024

Dear Parents and Carers,

Thank you so much for another fantastic fortnight. The children have had such joy sharing all of their DT projects with me. We have also enjoyed celebrating the writing during writing week last week. The children have worked hard to extend their sentences and have used very adventurous adjectives!

We also thank you for your understanding while we have been completing works on the playground. These have really helped to give the children more space to play. I would also like to thank FKS (Friends of Kingshill) and everybody who supported the Quiz Night on Friday. We raised a phenomenal £700! We really look forward to talking to the children and then to FKS about how this can be spent in school.

I would like to take this opportunity to thank you for always getting in touch if you need anything or have a query: I'm always happy to help.

Have a fab fortnight!

Best wishes, Mr Plumb

Ordering your school lunches at home

Thank you for remembering to choose lunch options with your child at home.

Please remember to sit with your child as you choose so that they are aware and happy with the option.

If your child is having a packed lunch, please select 'P' rather than leaving it blank to save confusion with school absences.

There are instructions on the letter that you received, and [this link](#) takes you to the help page.

New roof update: we are on the list!

As you are aware, we submitted a new roof bid in September 2023. We have now heard that although our roof will not be replaced this year, we are now on the waiting list for a new roof. In the meantime, Hertfordshire County Council have awarded Kingshill £8500 to complete repairs to our roof before a full replacement in the near future.

A 'thank you' to Elsie and her friends from St Marys who kindly made Mr Plumb a bracelet.
