**Friday 3rd November 2023**

Dear Parents and Carers,

Thank you for a very positive first week back at school! My apologies for the large puddles in the playground, I am looking at our drainage and we are aiming to have work done to stop this happen imminently.

We have very much enjoyed welcoming you all in for 'Meet the Teacher' yesterday. If you have any further questions, do not hesitate to get in touch. The children have been really enjoying the new equipment on our playground and we thank you for your understanding when they have come home a little muddy after being in one of our mud kitchens! We are investing in some aprons that the children will wear when they are using the mud kitchen to avoid them getting too muddy moving forward.

We wanted to make you aware that our school is still available for hire on some week nights and on Sundays should you ever need. The school is air-conditioned and has a new interactive screen if you ever wanted to deliver training. Enquire at the office if you are interested and we will provide you with more details.

I hope you have a wonderful weekend.  
Best wishes,  
Mr Plumb
