THE SUMMER WE'LL NEVER FORGET!

Big smiles. Non-stop fun. New friendships.
And memories to last a lifetime.
What a summer it has been at camp!

We were thrilled to welcome our biggest and most fantastic mix of new and returning children, and from the moment they arrived, the energy was incredible. New friendships were formed, old friendships were reunited, and every day brought something different to look forward to.

WATER WEDNESDAYS: LET THE SPLASHING BEGIN!

If there was one thing guaranteed to get everyone excited, it was Water Wednesday!

The balloons were filled, the water guns were loaded and the slip-and-slide was ready for action. Children raced, splashed, laughed and soaked each other from start to finish. There may have been a few very wet campers by the end of the day... but there were certainly no complaints!

Water Wednesday quickly became one of those camp days where everyone wanted to get involved – whether they were racing down the slide, launching water balloons or plotting their next water-gun attack!

GET CREATIVE!

There was plenty more to camp than getting wet. Our budding artists got stuck into face painting, transforming themselves into everything from colourful characters to fierce animals and fabulous creations.

Our parachute games were another favourite, bringing everyone together for plenty of teamwork, laughter and the occasional spectacular parachute launch!

And, of course, there was always time for a little friendly competition. Dodgeball brought out the determination, quick reactions and competitive spirit in our campers, with some impressive dodging skills on display!

FRIDAYS = PARTY TIME!

By Friday, everyone knew what that meant...

DISCO TIME!

Our Disco & Party Fridays were the perfect way to finish the week. Music, dancing, games, laughter and plenty of energy filled the room as our campers let loose and showed off their best moves.

And then there was our Comedy Club! 

We saw some fantastic performances, plenty of confidence and – most importantly – lots and lots of laughter. It was brilliant to see children getting up in front of their friends, having fun and giving things a go.

☀️ SO MUCH MORE THAN JUST SUMMER FUN

From energetic games and water battles to creative activities, dancing, comedy, challenges and everything in between, every day at camp offered something new.

But perhaps the best part of all was watching the children grow in confidence, make new friends, try new things and simply enjoy being themselves.

We saw children arrive shy and unsure on their first day and leave with new friends, new stories to tell and huge smiles on their faces. For our returning campers, it was wonderful to see familiar faces come back through the doors and make even more memories together.

💛 AND THE FEEDBACK SPEAKS FOR ITSELF...

One of the biggest highlights of the summer has been hearing the fantastic feedback from both parents and children.

We have been absolutely blown away by the lovely comments, messages and feedback we've received. Knowing that children have gone home excited to tell their families about their day – and that parents have noticed how much their children have enjoyed camp – means so much to our whole team.

Happy children + happy parents = one very happy camp team!

🎉 UNTIL NEXT TIME... 🎃👻 GET READY FOR A SPOOKTACULAR OCTOBER! 🕷️🎃

Our Halloween Half-Term Camp is back from 26th–30th October, and we're getting ready for a week packed with fun, games, creativity, sport and plenty of Halloween magic! 🕷️🦋

[Bookings open for October here - Grab 30% off for a limited time!](#)

[You can now book using our Parent App](#)

After an incredible summer camp and such fantastic feedback from both our children and parents, we're excited to keep the fun going!

Here's just a taste of what's in store:

🎨 MORE FACE PAINTING – spooky, silly or super creative!

👻 HALLOWEEN DRESS-UP DAY – bring out your best costumes and get ready to show them off!

⚽ SPORTING ACTIVITIES – games, challenges, teamwork and plenty of friendly competition.

🎉 AND LOTS MORE! – with a whole week of activities, laughter, new friendships and surprises.

Whether your child loves sport, dressing up, getting creative or simply having a brilliant time with friends, there'll be something for everyone.

Kind Regards, Miss Oswick
